

To Whom It May Concern:

I had the opportunity to work with Tom Picozzi of TMP Construction Services, LLC on the Mazzone Hospitality Corporate Offices and Warehouse project this past spring, summer and fall. I would like to express my appreciation for the excellent service that was provided.

As owner of Mazzone Hospitality I worked closely with Tom to make sure that my needs and standards were not only met but exceeded which TMP Construction provided.

Throughout the project I felt like TMP Construction truly acted as a partner with not only me, but with each member of the construction team. Not only were RFIs and submittals reviewed and returned quickly, but Tom was at the job site daily to help coordinate any required field changes as they were discovered so that design intent was upheld while ensuring that our construction schedule was never compromised.

The cooperation and collaboration that Tom brought to the table everyday was greatly appreciated. This atmosphere resulted in a truly enjoyable project experience for everyone involved, a successful end result, and a very pleased owner. I look forward to the opportunity to work with TMP Construction again.
